Winemaking

We are incredibly excited to re-introduce our vineyard designate series of wines sporting a new label recognizing how fortunate we are to be in an area of remarkable diversity within such close proximity. Kicking it all off is a vineyard many of you are quite familiar with. Located in the Northeastern portion of the Willow Creek District resides TH Estate Vineyard. A special site made famous by the vision, talent and relentless hard work of Terry and Jennifer Hoage. For the exceptional 2023 vintage, as they transitioned into retirement and the next phase of their lives, we at Torrin, along with Don and Claudia Burns at Turtle Rock, leased the vineyard and assumed the farming responsibilities. At nearly equal percentages of Mourvèdre, Syrah and Grenache, we've opted to highlight the fantastic soils and aspects that combine with the slightly warmer nature of the site to deliver beautifully complex versions of an array of Rhone Varietals. While the vineyard has changed hands and will no doubt continue to shine under its new owners at Truss, we are honored to pay tribute to this special site and the special people that brought it to life. We hope you enjoy this limited and one time release.
